25X1A9a 1. As of this writing I do not have all of the preliminary comments requested in my memo of 7 July, but have asked Miss [redacted] to transmit the package to you when they are all accounted for. Those that I have seen are provocative and not really subject to summarization so I thought the entire submission would be more helpful.

2. I will be on leave until 28 August and will try to call a meeting during the week of 3 September.
